

**GOOD REASONS TO AFFORD URBANISM**

is a creative studio based in Paris and led by partners Anthony Jammes and Susanne Eliasson, recipient of the Young Planners Award from the french Ministry of Housing and Sustainable Habitat. We work at the forefront with businesses and organizations to design prototypes for future lifestyles.

**Susanne Eliasson**, architect, born in Sweden and studied architecture in Versailles and Chicago.

**Anthony Jammes** architect, born in France and studied architecture in Versailles and Clermont-Ferrand.

**Anaïs Le Gallou** architect, graduated from the Architecture School of Versailles (2014) and Science Po Paris (2015).

**Clara Paillet** architect, graduated from the Architecture School of Versailles (2017).

**Fernanda Bernava** architect, graduated Campinas State University in Brasil (2016).
